Acceptable Items

PAPER, PAPERBOARD & CARDBOARD: Recycle Any Size. Any Quantity. Please break down boxes as flat as possible and put them out next to your recycle bin(s) on your pick-up day.

METAL: • Aluminum beverage cans • Steel food & beverage cans, aerosol cans, paint cans

GLASS: • Clear, brown, blue, and green glass food & beverage containers

PLASTIC: • #1 through #7 – All materials must be thoroughly cleaned before placing them in your recycle container.

Try these simple tips to get the most out of your recycling container:

1. Crush your aluminum cans and all plastics.
2. Break down and flatten all cardboard boxes. Any cardboard that cannot fit into your bin should be flattened, bundled, and placed beside the bin.
3. Remove all packaging (Styrofoam, peanuts, plastic bubble wrap, plastic liners, etc.)
4. Flatten ALL boxes
5. Bundle all cardboard that does not fit into the recycling bin
6. Cover loose paper with heavier items to prevent it from blowing away
7. If the weather forecast calls for high winds or wet weather, if possible, keep your paper recyclables until the next week. Wet paper products are difficult to process.
