Important Trash and Recycling Information for SPRING GARDEN TOWNSHIP RESIDENTS

Mobile Cart Information

As part of the new contract, Penn Waste will be distributing mobile carts to customers in Spring Garden Township for Trash Service. Mobile carts for recycling have already been distributed in the past. If you are in need of a mobile cart for recycling, please contact Penn Waste customer service at 717-767-4456. Mobile Cart delivery for trash service is scheduled to begin in mid-December 2022. You may begin utilizing your mobile cart once it is received.

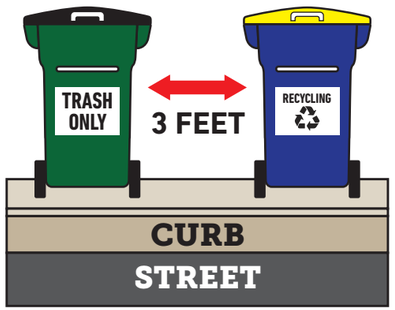
Customers will receive one (1) 96 gallon mobile cart for trash service. All material should fit in the provided mobile cart. If you are in need of excess trash service, extra service bags may be purchased from Penn Waste for $13.00 per bag.

For customers interested in the low volume service, please contact our customer service department to switch service.

Penn Waste will be collecting the waste and recycling of the residents of Spring Garden Township with an automated collection truck. The utilization of a mobile cart provided by Penn Waste is required. There are three optional sizes of containers available for use. With customers utilizing the mobile cart, our crews will be able to provide the residents with the most efficient collection for the best price. The mobile carts also reduce the amount of litter and pests within the township.

Proper Cart Placement

Please be advised that all mobile carts should be placed behind the curb. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans.



Here are some tips to ensure a smooth collection process:

- Set mobile cart out the evening before pickup day.
- Place mobile cart with the lid handle and wheels pointing toward your residence.
- Do not place cart in the roadway.
- Do not block walkways with carts.
- Place carts at least THREE FEET APART from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.

Bulk Item Guidelines

Spring Garden Township residents may dispose of one (1) bulk item per week through curb side collection. Please have your waste, recycling, and bulk item available for collection at the curb the evening before pickup.

ACCEPTED MATERIALS – Appliances, furniture, mattresses, box springs, one (1) car tire without the rim, lawn mowers (oil and gasoline removed), plumbing fixtures such as toilets and sinks, three (3) 4 ft. rolls of carpet (tied).

NON-ACCEPTABLE MATERIALS – Electronic devices, chemicals, stains, liquids, batteries, automobile parts, hazardous waste, tires on rims, commercial/ industrial waste, construction materials (drywall, brick, block, lumber, shingles, tiles, concrete).
