Important Solid Waste and Recycling Collection Information for 2023

For any service related questions, please contact the Township at 717-657-5617 or utilities@lowerpaxton-pa.gov

Yard Waste Collection Guidelines

PLEASE NOTE: Yard Waste is collected on your regular trash day on alternating weeks as shown by areas A and B on the map. Please refer to the calendar for yard waste pickup dates.

Yard Waste is material such as tree trimmings, shrubbery and other organic landscape vegetation not listed below.

How to Prepare Yard Waste

- Place yard waste in biodegradable brown paper bags or bundle it with biodegradable twine in easy-to-handle bundles.
 - Bundles may be no longer than 5 feet in length.
 - Bundles may not weigh more than 30 pounds each.
 - Branches may not exceed 6 inches in diameter.
- Once prepared, yard waste must be placed at the curb the evening before your scheduled pick up day.
- An unlimited number of bags or bundles may be placed at the curb.

Please prepare your yard waste properly!

Yard Waste in plastic bags WILL NOT be collected!

DO NOT place these items out for yard waste collection:

Grass Clippings

Fruits & Vegetables

Tree Stumps

Dirt & Stones

Important Trash and Recycling Information for LOWER PAXTON TOWNSHIP RESIDENTS

Dear Lower Paxton Township Resident.

Please be advised that Penn Waste Inc. has been awarded the Solid Waste & Recycling Collection contract with Lower Paxton Township for the term of 7/1/23-6/30/28. We look forward to servicing the residents of Lower Paxton Township. Our goal is to provide you with superior customer service. Please review the contents of this flyer for useful information on your collection service. Penn Waste will be distributing mobile carts for solid waste and recycling in June 2023. Please see more on this under the Mobile Cart Information section of this flyer. Please have your mobile carts placed at the curb prior to 6:00 AM, as we will start collection promptly. We recommend placing your material out the evening before to ensure your material is collected. Your waste and recycling collection day will remain the same during this contract. Your weekly collection will consist of the following services.

Penn Waste is the exclusive hauler for Lower Paxton Township. The service levels are as follows:

TRASH	RECYCLE	BULK ITEM	YARD WASTE
96 Gallon Mobile Cart* Provided by Penn Waste	96 Gallon Mobile Cart* Provided by Penn Waste	One per week Call township to schedule pickup	Collected every other week

*Beginning in September, 2023, if you would like to receive a smaller 65 gallon mobile cart, please contact Penn Waste to schedule the delivery of your new cart and removal of your 96 gallon cart.

Mobile Cart Information

As part of the new contract, Penn Waste will be distributing mobile carts to customers in Lower Paxton Township for Trash Service and Recycling Service.

Mobile Cart delivery for trash and recycling service is scheduled to begin in June, 2023. You may begin utilizing your mobile cart your first collection day in July. Customers will receive one (1) 96 gallon mobile cart for trash service and one (1) 96 gallon mobile cart for recycling. All material should fit in the provided mobile cart.

Penn Waste will be collecting the waste and recycling of the residents of Lower Paxton Township with an automated collection truck. The utilization of a mobile cart is required. With customers utilizing the mobile cart, our crews will be able to provide the residents with the most efficient collection for the best price. The mobile carts also reduce the amount of litter and pests within the township.

During the week of July 10th, Penn Waste will be sending a separate truck to collect any unwanted home-owned containers that you would like to get rid of. There is no need to inform us that you will have these containers curbside this week, but they must be empty (no waste or recycling in the containers) and marked with a note designating to take as trash.

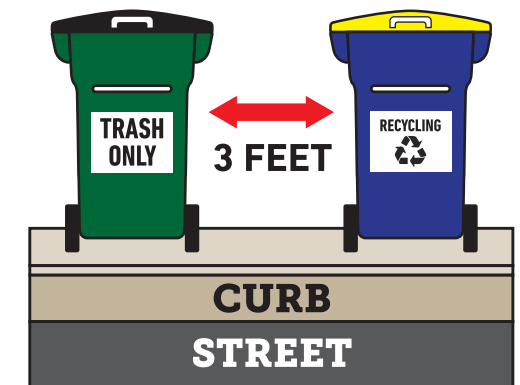

Proper Cart Placement

Please be advised that all mobile carts should be placed behind the curb. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- Set mobile cart out the evening before pickup day.
- Place mobile cart with the lid handle and wheels pointing toward your residence.
- Do not place cart in the roadway.
- Do not block walkways with carts.
- Place carts at least THREE FEET APART from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.
